Carla Gade, Director

MISSION

To reduce the suffering caused by a diagnosis of lung cancer by raising much needed money for lung cancer research, help high risk patients get access to early lung cancer screening and help single family low income home owners get access to radon air abatement systems.

YEAR END FINANCIAL REPORT

Gross Income

Total Expenses	$84,465
Fundraising Expenses	$ 6,488
Mgt & General Expense	$ 5,695
Program Services Expense	$25,259

Net Income **$47,023**

End of year net assets **$47,023**

The board discussed and agreed that the financial impact of COVID-19 may reduce 2020 income from grants, event fundraising and general fundraising. The board agreed to maintain a solid cash reserve to maintain programs through 2021. Cash reserves may be needed for COVID-19 emergency funding grants to hospitals and from line caregivers.

Free ME from Lung Cancer has set aside $15,000 for radon abatement program. We are working with the Community Action Program offices across the state to help identify single family homeowners that would benefit from our radon program. We also set aside $12,000 for early lung cancer screening.

Deb Violette, Vice President for FMFLC attended several national, world and local conferences via ZOOM.
