

2017

We raised \$76,243 and netted \$54,754 to help support our services. We couldn't do it without you. Thank you so very much. We will be setting aside the following for program services \$14,754 and \$40,000 for lung cancer research. Free ME from Lung Cancer teamed up early this year with the International Association for the Study of Lung Cancer (IASLC). IASLC will match our grant funding. The grant funding recipient will be announced sometime in 2018.
