

2018

We raised \$88,877 to help support our services this year. We couldn't do it without you. Thank you so very much. Free ME from Lung Cancer teamed up with the International Association for the Study of Lung Cancer (IASLC) in 2017. They matched our research grant bringing the total too \$200,000. Our board met and voted to partner again with the IASLC in another matching \$100,000 research grant.

A board member attended International Association for the Study of Lung Cancer, American Society of Clinical Oncologist, LungSPORE, Maine Lung Cancer Coalition and the Maine Cancer Foundation annual meetings.
